

## **SANDHURST GARDENING CLUB TRADING HUT**

### **OPEN AGAIN ON SUNDAYS FROM 6 SEPTEMBER TO 29 NOVEMBER**

#### **HUT PROCEDURES**

In the interests of the safety of all members we will continue to operate the hut in a restricted manner. Thank you, in advance, for your patience and understanding.

The hut will be manned by the committee and volunteers; two in the hut and one on the gate.

#### **Planned procedures to reduce contact between members:**

1. We will open for the usual hours on Sundays (9am to 10.45am) but plan to serve everyone who turns up so we may overrun this time a little. Do come in good time so we can close as near 10.45am as possible.
2. Please wash your hands thoroughly before coming to the hut and when you get home.
3. **No members will be allowed inside the trading hut.**
4. We will be serving one customer at a time so please wait (in your car if that is how you arrive) until we are ready to serve you.
5. If possible, it would be helpful if you can email Jane Heritage your order in advance by the end of the Friday before the Sunday you plan to visit the hut. This is particularly useful if you require items that need measuring or counting. If that is not possible, please come with your list of required items written down so that we can serve you as quickly as possible. (See below for contact details.)
6. If you come by car we would like you to back onto the ramp when it is your turn to be served; we will then put your items in the boot. You do not need to get out of your car, but please switch off the engine while being served.
7. If you come on foot, please wait away from the door and we will serve you by placing your items at a collection point where you can leave your payment.
8. Payment by cheque payable to 'Sandhurst Gardening Club' is preferred but we will still take cash.
9. This is pretty obvious, but please don't come to the hut if you are not feeling well, or if a member of your immediate family is sick. If, shortly after visiting the hut, you become ill or someone you have close contact with becomes ill, please let Jane know.
10. If you are unable to come yourself we will allow you to send someone else (a non-member) to collect your items provided they have your membership card with them to show at the gate.
