

## **SANDHURST GARDENING CLUB TRADING HUT**

### **OPENINGS FROM SUNDAY 7 FEBRUARY 2021**

#### **HUT PROCEDURES**

In the interests of the safety of all members we will continue to operate the hut in a restricted manner. Thank you, in advance, for your patience and understanding.

Initially, the hut will be manned by Jane & John Heritage with a committee member or volunteer manning the gate.

#### **Planned procedures to reduce contact between members:**

1. Please wash your hands thoroughly before coming to the hut and when you get home.
2. **No members will be allowed inside the trading hut.**
3. We will be serving one customer at a time so please wait (in your car if that is how you arrive) until we are ready to serve you. We **MUST** avoid members gathering at the door of the hut so please come in you car, if you can, or keep your distance if you arrive on foot.
4. Please try to email/phone Jane Heritage your order in advance by the end of the Friday before you plan to visit the hut. This is particularly useful if you require items that need measuring or counting. If that is not possible, please come with your list of required items written down so that we can serve you as quickly as possible. If you have emailed your list but wish to add extra items when you visit that is not a problem. (See below for contact details.)
5. If you come by car we would like you to back onto the ramp when it is your turn to be served; we will then put your items in the boot. You do not need to get out of your car, but please switch off the engine while being served.
6. If we are going to be busy we may issue time slots so we don't have a queue.
7. If you come on foot, please wait away from the door and we will serve you by placing your items outside the hut.
8. Payment by cheque payable to 'Sandhurst Gardening Club' is preferred but we will still take cash.
9. This is pretty obvious, but please don't come to the hut if you are not feeling well, or if a member of your immediate family is sick. If, shortly after visiting the hut, you become ill or someone you have close contact with becomes ill, please let Jane know.
10. If you are unable to come yourself we will allow you to send someone else (a non-member) to collect your items provided they have your membership card with them to show at the gate.
